Hamline University School of Law, St. Paul, MN

Director, Health Law Institute, January 2012 – December 2015

- Outcomes
HLI is ranked the 13th top program in the country by *US News & World Report*. The national rank rose consistently during my tenure, despite the introduction and expansion of competing programs.
- Academic Programming & Curriculum Administration
HLI offered four certificates, dozens of courses, a clinic, and externship placements. My responsibilities included: (i) course scheduling; (ii) course sequencing; (iii) developing new courses; (iv) developing academic policies; (v) managing a \$300,000 budget; (vi) supervising staff and student assistants, (vii) recruiting adjunct professors, (viii) maintaining adjunct professor relations, and (ix) publishing and maintaining, across multiple platforms, accurate information about our academic offerings and policies. I also helped develop a new M.S.L. degree focused on healthcare compliance.
- Event Planning
HLI offered over a dozen academic and practitioner CLE / CE events each year. Event planning consists of: (i) developing a curriculum, (ii) recruiting speakers, (iii) promoting the event, (iv) introducing and moderating presenters, and (v) administering the event onsite. I also organize three or four health law career panels each year.
- Student Services
HLI served a variety of student constituencies, including: (i) the student body as a whole, (ii) students interested in health law, (iii) students in the Student Health Law Association, and (iv) students interested in a health law certificate. I advised these students, helped with their event planning, and provide other student services. I conduct substantial one-on-one advising as well as numerous orientation and information sessions.
- Program Marketing
I promoted the school and HLI to a variety of external constituencies, such as local practitioners, alumni, advisory boards, and prospective students. I had a central role in drafting, editing, and updating our marketing materials. I significantly expanded both the depth of content and the

navigability of the HLI website. I prepared and distributed a weekly newsletter, the *HLI Brief*. And I prepared a detailed annual report, *HLI Highlights*.
