roadmap

37

4 parts

38

what is  
MAID?

39

where is it  
authorized

40

how is it  
working

41

what's  
new

42

43

what  
is MAID

44

end-of-life  
option

45

for **small**  
number of  
patients

46

who

47

1

48

adults

49

> 18 years

50

2

51

decisional  
capacity

52

competent

53

mentally  
capable

54

**understand** nature  
and consequences

55

**nobody** can  
request MAID  
for another

56

~~guardian~~  
~~healthcare agent~~  
~~surrogate~~

57

patient  
**themselves**

58

**3**

59

terminally ill

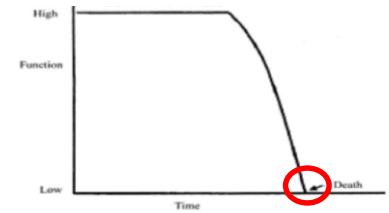

60

final stage of an  
**incurable &**  
**irreversible** physical  
medical condition

61

will produce death  
**< 6 months**

62

64

adult  
competent  
terminally ill

65

# what

66

ask & receive  
prescription  
**drug**

67

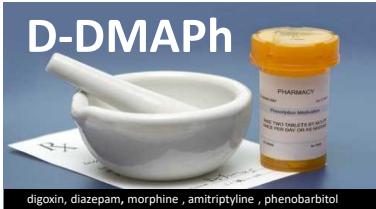

**self**-administer  
to hasten death

68

69

D-DMAPh

70

sleep	death
3-8m	45m

71

**3** ways  
to take

72

73

74

75

**only those  
3 routes**

76

77

others may help  
**prepare** meds

78

79

may not help  
**administer** meds

80

**patient** alone  
takes final overt act

81

**IMPORTANT**

82

83

**nobody** administers  
drugs to the patient

84

patient does it  
**herself**

85

now we know  
**what** is MAID

86
